Harford County Announces Debris Management Plan Following Hurricane Sandy

Effective Wednesday, October 31, 2012, the Harford Waste Disposal Center Mulch and Compost Facility located at 3135 Scarboro Road in Street will be open to all residential and commercial customers Wednesday through Sunday, 7:00 a.m. to 4:00 p.m. Additionally, beginning Wednesday the Tollgate Yard Trim Drop-off Center located at 703 North Tollgate Road, in Bel Air will be open Wednesday through Sunday, November 4th from 7:00 a.m. to 3:00 p.m. for residential customers only.

Additionally, to make debris disposal more convenient to Harford County residents the county will also be opening three temporary citizen drop-off sites. Effective Thursday November 1st, these sites will be open 7:00 a.m. to 5:00 p.m. through the end of the day Sunday.

The temporary citizen drop-off sites are located in Edgewood at the Edgewood Recreation Park across from the Kohl's Warehouse at 1702 Trimble Road; Chapel Road Park located in Havre De Grace at 2029 Chapel Road and in Jarrettsville at the Fox Meadows Complex, located at 3653 Fallston Road. These sites will accept vegetative debris only.

Due to the amount of trees and limbs that have fallen as a result of the storm, long lines may be encountered at the debris management sites.

For further information call the Harford County Bureau of Solid Waste Management at 410-638-3637 and 410-638-3417 from 7:00 a.m. – 3:00 p.m. Monday to Friday.
